

Visit Rinstrum at InterWeighing 2019 in Shanghai

InterWeighing is an annual international weighing industry expo organised by China Weighing Instrument Association (CWIA). This expo is the largest of its kind in the world. Rinstrum Smart Weighing is proud to announce that we will be present at this event.

Rinstrum Smart Weighing will be an exhibitor at the event, which will be held on the following days:

July 10, 2019 – 9:30 am to 5:00 pm

July 11, 2019 – 9:00 am to 5:00 pm

July 12, 2019 – 9:00 am to 12:00 am

Visitors will be able to meet Darren Pearson, David McKinley, Marek Swierzy, and John Lawn as they represent Rinstrum's offices in Australia, Europe, and USA at Booth Number 2610-2611.

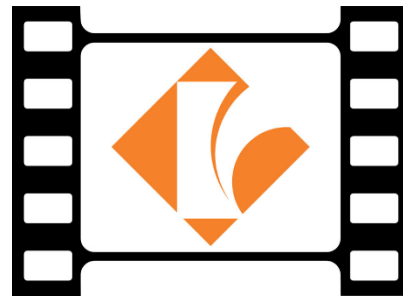

Video Tutorial on Rinstrum's Lua Print Engine 2.0 Published on YouTube

A video tutorial has been created to demonstrate the use of Lua Print Engine 2.0 from a PC. It showcases how a weigh ticket can be printed from your computer. The set up used in the video includes an R420 indicator with a Lua Module (M4223) attached.

The video introduces the Lua Print Engine and its functionality. It also includes examples of weigh tickets that have been printed using the print engine. This video is available on YouTube at

<https://youtu.be/040xMyv3hy8>.

For this, and more Rinstrum videos, see the [Rinstrum YouTube Channel](#).

X-Mount Datasheet Updated

The datasheet for the X-Mount system for tank and hopper applications has been updated to reflect the changes in model numbers.

The X-Mount system is highly customisable and is available in a range of models. The datasheet tabulates the most common configurations, which are 4-leg configurations. The X-Mount system is also capable of being made into configurations with 3 or 6 legs on request.

The updated datasheet can be downloaded from the [X-Mount System for Tank and Hopper Applications](#).

D732 Installation Manual Updated

The Installation Manual for the D732 Super Bright LED Remote Displays has been updated. Changes to this version include updates to illustrations and change in display name to better reflect the product.

The latest version of the D732 Installation Manual can be downloaded from the [D732 Super Bright LED Remote Display](#) page.
