

Visit Rinstrum at InterWeighing 2019 in Shanghai

InterWeighing is an annual international weighing industry expo organised by China Weighing Instrument Association (CWIA). This expo is the largest of its kind in the world. Rinstrum Smart Weighing is proud to announce that we will be present at this event.

Rinstrum Smart Weighing will be an exhibitor at the event, which will be held on the following days:

July 10, 2019 – 9:30 am to 5:00 pm
July 11, 2019 – 9:00 am to 5:00 pm
July 12, 2019 – 9:00 am to 12:00 am

Visitors will be able to meet Darren Pearson, David McKinley, Marek Swierzy, and John Lawn as they represent Rinstrum's offices in Australia, Europe, and USA at Booth Number 2610-2611.

Video on Scrolling Text on D841 Superbright LED Remote Display Published

A video has been created to show the Scrolling Messaging feature of the D841 remote display.

Scrolling Messaging is enabled when the K802 firmware is installed (factory-fit only) and can be used in conjunction with a PC or equivalent device. Messages of up to 150 characters can be displayed as scrolling text to, for example, provide instructions for truck drivers or equipment operators.

This video can be found on YouTube at <https://youtu.be/FBWOZQM3T10>.

For this, and more Rinstrum videos, see the [Rinstrum YouTube Channel](#).

X-Mount Brochure Updated

The X-Mount system is a legal-for-trade tank weighing system for commercial legal-for-trade applications. Designed as retrofit weighing systems, the X-Mount is ideal for fertilizer blenders or in industrial, pharmaceutical, or chemical applications. Each X-Mount system is customized to suit your exact size requirements to fit under existing or newly installed tank, hopper, or weighing vessels.

The full-colour brochure for the X-Mount System has been updated to a modern template. For this brochure and for more information about the X-Mount System, see the [X-Mount System for Tank and Hopper Applications](#) page.
