

Rinstrum Smart Weighing Booth at InterWeighing 2019 in Shanghai

Rinstrum Smart Weighing was at InterWeighing 2019, the world's largest annual international weighing industry expo organised by China Weighing Instrument Association (CWIA).

Darren Pearson, David McKinley, Marek Swierzy, and John Lawn represented Rinstrum Smart Weighing at Booth Number 2610-2611.

Rinstrum would like to take this opportunity to thank everyone who visited us at our booth.

Rinstrum Recertified for ISO 9001:2015 Quality Management System Certification

Rinstrum is happy to announce that our Australian, Sri Lankan, German, and USA sites have been recertified to ISO 9001:2015 Quality Management standard. This marks our 25th year of certification. Our new certificate is available on request through each of our offices.

R300 and X300 Reference Manuals Updated

The reference manuals for the R300 series and X300 series indicators has been updated.

The updates to both reference manuals reflect the changes to firmware versions 4.35 and 4.36, and include the addition of the Auto-tare delay function, the addition of mV/V display function key, and the addition of two print tokens – one for mV/V and one for number of short press printouts.

These reference manuals can be accessed from the [X320 IP68/IP69K Washdown Indicator](#) page and the following R300 Series Indicator pages:

- [R320 ABS Indicators](#)
- [R323 Classic Stainless-Steel Indicators](#)
- [R323 Stainless-Steel Panel Mount Indicators](#)
- [R323 Stainless-Steel Indicators](#)

Client in Burlington, Ontario Utilises R423 in Fast-paced Packaging Setup

A client based in Burlington, Ontario, Canada, has successfully utilized the R423 indicator in a fast-paced packaging setup that fills 40lb bags with high accuracy at a rate of 2 seconds per fill.

The Rinstrument team was instrumental in programming and setting up the system that demonstrates the power and flexibility of the R400 series.

For more information on the R400 Series of Indicators, see the [R400 Series Indicators](#) page.
