Manufacturer Conformity Assessment Flowchart

Training Rinstrum Verification Officer RVO:

Every RVO has to pass training at one of the Rinstrum Trainer. After training he will sign a Commitment (X00A-812, X00A-820) and will get a Training Certificate (X00A-811, X00A-819).

Once in every 2 year, RVO has to renew authorization by attending the annual training (possible as well via Internet) and signing a new Commitment.

Rinstrum Verification Officer RVO:

Effectively works through the MCA Procedure X00A-803 and sends all the necessary files and photos to email (verification@rinstrum.com). This email is received by Rinstrum Metrological Services and Verification Check in Sri Lanka. Trained persons will check all documents. All data sent by RVO will be stored with the S/N of the indicator in M-Files.

Rinstrum Metrological Services Assistant:

Warrants the issue of a Declaration of Conformity in accordance with Conformity Check X00A-807 and MCA procedure – Internal X00A-860.
